## First care-mail

I am so excited to start our care-mail today. Care-mail will just be a highlight of our day at child care. What we did and what we had for lunch. Also, any cool and wonderful exciting adventures we may have had. I will also try to have it care-mailed to you no later than 1:30pm daily. So, enjoy and have fun reading.

## Celebration!

Jordyn's Birthday is Saturday!

She will be 5 years old! When Jordyn first came to Tam's

She was just six months old. She was the cutest little Girl. We all wish her a very happy birthday! Her mom was so sweet she had McDonald's for all of the kids for lunch.

Thank you Mark & Starr!

Preschool news:

We have been working on our Clifford program last week and are at the end of this two week booklet.

Tonight the children will be bringing some papers- family activities home. Friday this week's booklet will come home with them.

Game: Alphabet Soup: Large letters are placed in the other rooms and the children one at a time retrieve them and show the rest what they found for our "soup".

Have a Great Day!

Tam, Marlene, your children
