

Tam's Care-mail

Volume Number 002

Issue Number 002

Date 04/20/07

It's warm outside today: we played outside this morning. The children all got to go and play with the toys that had been in storage. This is also a good way to see what the children would like us to keep and what can go. Every one only has so much storage area and we have reached our limit. As Matt said last night, "hey, I remember that green truck". We are having our spring cleaning of the toys here at the child care. The sale is tomorrow from 8am-2pm. Every thing from infant items to school-age power dudes so if any of you would like to shop feel free. We just have no more room for new stuff. So, the new stuff is still in their boxes waiting to get out.

Lunch time: chicken; bread; potatoes slices & bananas; milk

Snack time: cheese slices and crackers right now is the kid's favorite.

Outside water bottles: all the children now have their own white/blue cap water bottles with their names on them. Please don't take them home. The children were all given one to take home with them Thursday. Please help us by reinforcing this one stays at Tam's.

Naptime: Everyone took a nap today from noon till 1:30pm.

Clothes: Please make sure we have outside clothes for the weather. The children will be playing more in the sand area this summer. So, please make sure we have sun block and you have signed the release for saying we can put it on them (per licensing). Water play activities will also be coming soon!

Volunteers needed: We are in need of some volunteers to help build a canopy over the sand box. Please see Tam if you or a grandparent has skills or just can swing a hammer!

Preschool News:

We finished up the first Clifford Booklet which is also coming home tonight. We are also working on being able to recognize our own names.

Songs: Favorite tones today where "friends", "Bus driver"

Activity: maracas shaking the over our heads, behind us, in front, at our toes etc.

**Please feel free to take your time with working with your children with the activity pages. These pages are meant to reinforce what we are learning in a "positive fun way". Please have fun with your child while doing them.

Have a Great Day!
Tam, Marlene, your children
