**It's windy outside today:** But we played outside anyway this morning.

**Lunch time:** chicken; bread; Grapes & bananas; milk

**Snack time:** cheese slices and crackers right now is the kid's favorite.

**Outside water bottles:** all the children now have their own white/blue cap water bottles with their names on them. Please don't take them home. Please help us by reinforcing this one stays at Tam's.

**Naptime:** Everyone took a nap today from noon till 1:30pm.

**Clothes:** Please make sure we have outside clothes for the weather. The children will be playing more in the sand area this summer. So, please make sure we have sun block and you have signed the release for saying we can put it on them (per licensing). Water play activities will also be coming soon!

**Volunteers needed:** We are in need of some volunteers to help build a canopy over the sand box. Please see Tam if you or a grandparent has skills or just can swing a hammer!

## **Preschool News:**

We are also working on being able to recognize our own names.

**Songs:** Favorite tunes today: ring around the rosy & London Bridges

**Activity:** We did exercises: lay on back put your feet in the air and bicycle, kid push-ups and kid style sit-ups.

## **Clifford Booklet & Activity Pages:**

\*\*Please feel free to take your time with working with your children with the activity pages. These pages are meant to reinforce what we are learning in a "positive fun way". Please have fun with your child while doing them.

## **This Afternoon:**

This afternoon we hope we can go back outside if it doesn't rain. All the children seemed a little tired from this weekend. Everyone must have been busy. We have new/old toys outside for the children to play with and they were beside themselves trying to figure out who would play with what first. But they all seemed to take their turns without needing to be helped.

**Have a Great Day!**  
**Tam, Marlene, your children**
