Enough say the children!

Ok the children and I have decided that the weather does not know that it is suppose to be nice! They agree someone needs to have a talk with that weather person on TV.

**Lunch:** eggs, pancakes, applesauce, pears, milk

**Snack:** cheese and crackers

**Naptime:** noon till 1:30pm; the children need the weather to warm up.

**Quiet Day:** the children over all are having just a quiet day. I am not sure what that means for you all this weekend or later today. They all just act very sleepy and are very calm.

**Toddlers:** Well, they are very busy picking on the older kids who are just hanging out quietly! The two little ones are just busy beavers!

**Preschool News:**

The children work with puzzles, magnetic beads, and musical instruments

**Songs:** quiet, no music please

**Activity:** We rearranged the toys in the playroom! The children put the toys were they want them now.

**Reading:** We read a book about body parts and how they work! This was a great way to help explain our little ones broke leg.

\*\*Please feel free to take your time with working with your children with the activity pages.

These pages are meant to reinforce what we are learning in a "positive fun way". Please have fun with your child while doing them.

Have a Great Day!  
Tam, Marlene, your children
