It's Warm! We had a great morning playing outside. The children found all the toys that had water left in them. Well, don't worry everyone is still dry!

We had a wonderful day enjoying the fresh air. We plan on going back outside after naptime!

Lunch: the children had a choice today either Ham or BBQ on a bun, fresh asparagus, watermelon, milk

Snack: cheese and crackers

Naptime: Mostly everyone was asleep at 12pm. They seemed very tired.

Regulations: I am required by law to have a recent copy of your child's shot record. Please within by May 11th I need to make sure everyone has reviewed their information cards as well. Thank you. Your Peds office can fax a copy to us to save you time at 373-5638.

Preschool News:

Science: how the wild flowers are beginning to grow.

Songs: none

Activity: Outside large muscle play

Reading: Coffee Can story: this is a can with just different items in it for a make believe short story.

**Please feel free to take your time with working with your children with the activity pages. These pages are meant to reinforce what we are learning in a "positive fun way". Please have fun with your child while doing them.
