

Tam's Care-mail

Volume Number 020

Issue Number 020 Date 05/21/07

Today, the children could not believe that it is raining so much.

The children had a quiet morning. The boys all decided to play in different areas of the house this morning. So, they all worked well together. Each gave the others space. As we all know sometimes that's what we all need.

We also cooked this morning making homemade blueberry muffins for our snack. As well as a chocolate cake for Matthew! The kids had fun working in the kitchen.

Lunch: turkey, bread, peaches, pears, milk
Snack: animal crackers and apple juice

The children all had fun playing on the new/used coffee table. Do you let them play on yours? We have been telling them they just need to make sure they ask before doing it when they are somewhere else. Because everyone has different rules about their coffee tables.

Have a great day!

Tam, Marlene, and kids
