

# Tam's Care-mail

Volume Number 023

Issue Number 023 Date 05/24/07

If you receive these e-mails only at work you can also view them on our website!

Today we played outside this morning. It did get warm this morning! Please make sure we have a change of clothes for your child. Some children are coming dressed for one type of weather and by noon the weather is hotter! We do also have our air on now! Please make sure that if you bring sunscreen for your child we must have a form signed by you so we may apply it to your child. The state thinks of sunscreen as if it is medicine!

Lunch: Ham sandwiches, apple slices, potatoes, milk  
Snack: animal crackers and orange juice

Please remember to that payment for child care is due tomorrow AM not in the afternoon. This is a holiday weekend and the bank will be closed Monday. So, if this is a problem you only have until pick-up time today to tell me. Tomorrow we will also be closing at 6:30pm tomorrow evening.

The kids are having a blast building with legos and racing cars.

Right now we had some toys with little swords on them from McDonalds that we got rid of because the children were hitting each other with them. They were free so no big deal. Just a word about it if they say we got rid of them. This not how I wanted to handle it but it seemed the most effect during the situation.

Please right now we ask for NO toys to come from home. We can not be responsible if they become broke or lost while here. If something comes we will ask your child is it a necessity or a want to have at child care because they will have to share. This normally does the trick by reminding they will have to share the toy.

I hope you have a great weekend planned.  
Have a great day stay cool!  
Tam, Marlene, and kids
