Summer is Here!

We go outside every day if the weather is permitting. Please have summer play clothes available for your child.

In addition, extra clothes would be great as well because the children will get wet when they play in the water.

If you would like to provide water clothes and a towel for your child or children, that is fine.

But please, we would still need a set of extra clothes for normal day-to-day possible needs.

Reminders:

Please sign your child out everyday. The clipboard is located next to the front door. This is required for our State and Federal paperwork. Thank you.

Schedule Changes:

Schedule changes must be in writing at all times. Verbal schedules may not be remembered. You may e-mail tam@tamssunshinehouse.com, or give your written notice to Tam or Marlene

Hours of Availability

Monday thru Friday

We have moved our hours of availability because we do not have enough people using 24 hour service. Saturday availability is NOT part of your standard care prices. Using this day will cause you to have a fee increase.

Saturday care is \$3.00 an hour in addition to your work week schedule unless otherwise noted on your current contract. If this is a problem please see Tam. Saturday care has a limited availability of only six slots for usage when available.

We now open NO earlier than 6:15am. When you say you are going to be here at 7:00am THAT is the time you are being charged from or what is on your contract for childcare.

If your hours have changed you need to redo your contract if this is a problem for you. You are charged on a flat rate/per number of days being used.

The rates for child care are:

- \$4.00 per hour
- ----- OR -----
- 0-30hrs/3 days \$100.00
- 31-40hrs/4days \$115.00
- 41-50hrs/5days \$130.00
- \$2.00 every hour after 50 hours.

Fees are per child/Per Week Schedules changes are done only if we have available time/days to do it. If you want five days a week availability then you have to pay for it.

If you want to drop to a lower rate it is done only if we have the availability to have another part timer. We prefer to have full time having part times make it very difficult to run our Preschool program.

This has been an on going conversation with many of you and I wanted to clarify this part of our handbook policies.

You may not move your days around during the week without advance notice to see if we have the slots available.

Saturday care for July/August

There will be no Saturday care for July or August. Saturday care will return after Labor Day weekend in September.

Building Our Book Library!

We sold 80 items! Wow! What an awesome job from everyone. The products should be in around the week of the 18th of July.

Again, thank you with this

fundraiser.

Academic Information

Science

We have been learning about the weather and how does the grass grow.

Mathematics

We have been working on using our brains to do math in our heads. This is a very old method of teaching children to use the brain as a blackboard. Developing skills that allow them to add and subtract very quickly. This also always them a great advantage over others when they get to school and need to be fast on the feet in Math!

English

Clifford the Big **Red** Dog -

We are working on the booklets for two weeks at a time. Children learn better by repeated exposure to materials. Then, in between the four weeks we will send the homework packet for both booklets home.

I hope that you will find this very exciting to work with your children as we do each and every day!

Reading

Reading is an every day activity at our child care. I hope it's every day for your home as well!

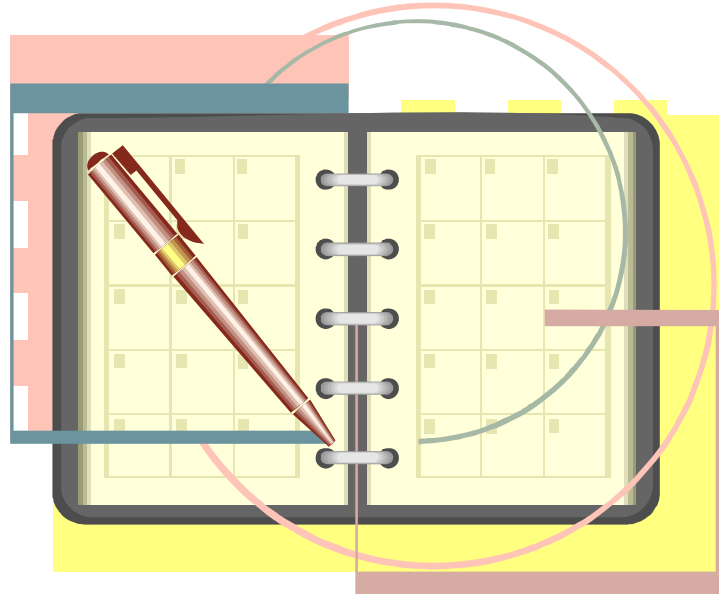

Also, please make sure we have your current information we are going to be working on learning personal information.
