If you are planning on changing your schedule you need to notify me at least two weeks in advance. As of right now we are NOT accepting any part time schedules and drop-in's are if we have availability only.

Once you change your schedule from full time; we will not guarantee you will be able to use drop-in service or be a part timer. We will refill the spot as a full timer. You are welcome to stay but you will pay the higher rate for the full time slot.

This is in our policy book as well please schedule an appointment to discuss any concerns you have with this policy. I am glad to hear your concerns.
