

Happy Birthdays to: Marlene, Tori, Raegan, Ella !!

IMPORTANT INFORMATION:

First, if for some reason in the future you ever need to change or want to change from full time back to part time or drop in. This many or many not be possible because of availability reasons. This is considered a schedule change. Not all schedule changes will be honored if we are unable to accommodate the change.

Even if you have had a full time spot for years I can't always agree to accept you as a part timer or drop in. Drop in means you are NOT part of the child care on an every day bases. Part time means you are not here more than three days a week.

At this time: we have NO availability for part time clients. We are only accepting full time days.

Second, when your child reaches the age of four and half (unless you are in the Parchment School District or you are transporting to your district of choice) we will be expecting you to make other arrangements for your child. We will notify you one month in advance of the date that we will no longer be providing child care to allow you and us plenty of time to seek other arrangements.

Third, this information is in our policy books and if you would like to further discuss it we can make an appointment. But the policies are there for both you the parents and me your provider. I strive to make accommodations for each and everyone of you.

When asked you as parents have also help by making accommodations by changing your schedules. Please when you want to make changes I take many things into account before I answer where or not you can at our child care. You may have to go so where else.

Science Information

Where do those bugs go? We have been talking about what types of bugs do we see around when it is hot and which ones are missing.

Math-

Clifford the Big Red Dog

We are working on the booklets for two weeks at a time. Children learn better by repeated exposure to materials. Then, in between the four weeks we will send the homework packet for both booklets home. I hope that you will find this very exciting to work with your children as we do each and every day!

Reading

Reading is an every day activity at our child care.

I hope it's every day for your home as well!

All schedules are subject to review and change.
